Hi Dale,

Just touching base with some new dates for a site visit to talk about the sign placement and content. Can you let me know your availability for the following dates? I'm hoping to get something on the calendar before I head out for 2.5 weeks. I understand that you'll be gone too! As I mentioned earlier, we are hoping to schedule both site visits on the same day.

Thanks!  
Karen

Hi Dale,

I'm working with the contractor for the BMP site at Gateway Marina and we are beginning to discuss the sign. We thought it would be beneficial to set up a time to meet at the site with you and anyone else you think would be interested in providing some input. We've narrowed it down to the dates below. Please let me know your availability on these days. It should only take a half hour or so and we are going to try to coordinate with Chatham so we can do both in one day.

Thanks!

Karen
